GRAVE LEASING ARRANGEMENTS

The graveyard committee has agreed the following arrangements within the Parish of Aghagallon and Ballinderry.

Parishioners living in the Parish

Parishioners resident within the parish at the time of death may be buried in a **standard grave** (4ftx8ft), leased for £400. At the discretion of the parish priest, parishioners with larger families may also lease a **double grave** (8ftx8ft) for £1000.

Ex-Parishioners and their Spouses

People originally born in the parish, but are resident elsewhere for a considerable time prior to the time of death may be buried in a **standard grave only** (4ftx8ft), leased for £1000.

Non-parishioners worshipping regularly in the Parish

Non-parishioners who live outside the parish but who are regularly worshipping here and financially contributing to the parish via a box of envelopes may be buried in a **standard grave only** (4ftx8ft), leased for £1000.

Please note

A standard grave can accommodate up to three interments.

A double grave can accommodate up to six interments.

No graves may be leased in advance.

There will no longer be a fee for opening graves.

All burials, including the committal of ashes, from services outside the parish, must be cleared with the parish office PRIOR to interment to ensure correct procedures are followed and parish records are updated.
