Right to Life: An unborn baby is a unique human being and a person deserving of human rights, by virtue of his or her humanity. At 16 days, the heart starts beating (British Heart Foundation) and by twelve weeks, a baby is *fully formed* with all of his or her bodily organs functioning and just needs time to grow. The sole purpose of the law in Northern Ireland is to protect the mother as well as her unborn child.

NI Voiceless will hold a protest on the steps of Stormont on Friday, 6th September at 7pm. Protesters have been asked to wear black or dark colours and carry a mobile or "other electric light".

Please join us in praying the **Knock Novena** from **14th to 22nd August** to protect the unborn in this part of Ireland.

The Knock Novena will be broadcast on EWTN Radio for GB & Ireland at 9am and 9pm each day, from **Wednesday 14th to Thursday 22nd August.**
