Prayer For Healing: Heavenly Father, I call on you right now in a special way. It is through your power that I was created. Every breath I take, every morning I wake, and every moment of every hour, I live under your power. Father I ask you now to touch me with that same power. For if you created me from nothing you can certainly re-create me. Fill me with the healing power of your spirit. Cast out anything that should not be in me. Mend what is broken. Root out any unproductive cells. Open any blocked arteries or veins and rebuild any damaged areas. Remove all inflammation and cleanse any infection. Let the warmth of your healing love pass through my body to make new any unhealthy areas so that my body will function the way you created it to function. And, Father, restore me to full health of mind and body so that I may serve you the rest of my life. I ask this through Christ Our Lord. Amen.
