Can You Save a Life: Just a few weeks ago, 14 year old Daniel Greer from Newry was healthy, active and looking forward to his summer holidays. Right now, he is very ill in hospital after being diagnosed with leukaemia. The only hope he has of beating the illness is a bone marrow transplant from a suitable donor. His close family, friends and supporters are being tested, but finding the right match in time will be extremely difficult. Please consider registering as a potential bone marrow donor and help Daniel to beat this deadly disease. You could be the lifesaver who will give Daniel a chance to live a happy, healthy, and normal life. #DoItForDaniel.

To sign up visit www.dkms.org.uk/register-now (Northern Ireland or Great Britain), www.giveblood.ie/bone-marrow/can-join-the-bone-marrow-registry/ (Republic of Ireland), www.anthonynolan.org/ (Anthony Nolan Donor list inclusive of 16 year olds), www.wmda.info/donor/become-a-donor/ (WMDA).
